

One Arroyo Survey Summary

December 2017

<https://onearroyo.org/>

Introduction

The One Arroyo Survey (October & November 2017) was an effort by the Arroyo Advisory Group to receive public input from the Pasadena community about the One Arroyo Vision. The data received helps guide the vision and identify and prioritize projects for the Arroyo. The survey was available during multiple outreach events as well as online. The following pages summarize the results.

2,652

responses received

2271 responses were made online, while 381 were collected at events

10

events attended

city staff and volunteers staffed pop-up booths at farmers markets, festivals, and other events

Oct-Nov

survey timing

the survey was open from October through November, 2017
